Dear Private Individual

**Official information request for information regarding the pipe work for the Racecourse subdivision**

I refer to your official information request dated 18 May 2023 for information regarding the pipe work for the Racecourse subdivision.

You have asked for the following information:

**1. What was the total cost for that pipeline?**

The cost for the design and construction of the project is approximately \$1,739,435.00. This is still an active project so the total cost is yet to be finalised.

**2. How was it funded?**

The project was funded through the 3 Waters Reform Stimulus Funding of 40% (central government project support for infrastructure).

Westland District Council general rates project funding of 60%.

**3. Was any money from the Government's 3.5 million subsidy to the racecourse used to fund the pipeline?**

No other funding streams were utilised.

**4. Was it this present Council that instigated and approved its funding, or was it the previous Council?**

The project was initiated in 2021.

There is no charge in supplying this information to you.

**Council has adopted a Proactive Release Policy and accordingly may publish LGOIMA responses on the Council Website at <https://www.westlanddc.govt.nz/lgoima-responses>.** The collection and use of personal information by the Westland District Council is regulated by the Privacy Act 2020.
