

Application for a minor variation to a building consent

GENERAL INFORMATION:

- This application is for approval from Westland District Council to make a minor variation to the following building consent under section 45A, Building Act 2004.
- A minor variation is a minor modification, addition, or variation to a building consent that does not deviate significantly from the plans and specifications to which the building consent relates. If the proposed change deviates significantly, the application will be processed as an amendment to the building consent. Note, if the proposed change will lead to a non-compliance with the district plan, the application will be processed as an amendment to the building consent.
- **Do not** carry out building work that varies from the building consent until you have received confirmation the minor variation has been approved.
- The latest Building Consents Fee Schedule is available on our [website](#)
- General information can be found on our website at www.westlanddc.govt.nz
