of the Sale and Supply of
Alcohol Act 2012 (the Act)

AND

IN THE MATTER

of an application by
**Morrison Supermarkets
Limited** pursuant to Section
127 of the Act for the renewal
of the OFF Licence in respect
of premises situated 116
Revell Street, Hokitika known
as "**New World Hokitika**"

BEFORE THE WESTLAND DISTRICT LICENSING COMMITTEE

The Application

This is an application by **Morrison Supermarkets Limited** for the renewal of the OFF Licence in respect of premises situated 116 Revell Street, Hokitika known as "**New World Hokitika**."

The general nature of the business is that of a supermarket and has been operating under a substantive OFF Licence for about 13 months.

The current days and hours are **Monday to Sunday 7.00am to 9.30pm. No changes are sought.**

These hours are within the default national maximum trading hours for off licences of 7am to 11pm.

The business is a large open-plan New World franchised store with shelves holding food products and other household goods on all sides and it has a well-defined single alcohol area.

The application was notified on the council's website from the 13th of May 2025, and no objections were received from members of the public.

Neither the Police nor the Medical Officer of Health oppose the renewal of this licence.

REASONS FOR THE DECISION

The application is complete and contains all the necessary considerations as required under s.127 of the Act. It was duly advertised and no objection or matters in opposition has been received.

Eleven certificated managers are currently attached to the business and a certificated manager is always on duty when the store is open for the sale and supply of alcohol.

Based on this, along with the other criteria outlined in Section 33(2) of the Act, the Committee is satisfied that the business is still that of a supermarket and has a compliant Single Alcohol Area (SAA).

As we said when first granting this licence at a public hearing in 2024, we expect the licensee to continue to show restraint in minimising the exposure of alcohol from the end of aisles. The 'black wings' are still in place and no opposition was received from the agencies

We have previously granted a waiver for the late filing of the application.

Subject to the above, I am satisfied as to the matters to which we must have regard as set out in s.131 and s.112-114 of the Act.

Accordingly, I deal with the matter on the papers.
